Peter Hackel  
PH Productions  
1330 Centre Street  
Newton, MA 02459

Dear Mr. Hackel,

The Board of Directors of Angels on Horseback recognizes your invaluable help to our first annual country and blues music festival held this past June. Many of us on the planning committee worked diligently to try and make our first event a success. We would never have reached the height of success without the expertise and experience by you and your staff. Due to our limited funding base, PH Productions was able to keep our entertainment expenses within budget without sacrificing good quality performers. The professionalism of your staff at the site was extraordinary. I was worried when it started to pour early in the morning during stage set-up when Rob confronted me about a problem with the electrical grounding behind the stage. I was really impressed how well Rob took complete control of the situation and didn't sweat it. He quickly worked out the problem with the fairground crew and got his system up and running. The lights and sound effects were incredible! Even though the morning rain tried to dampen our efforts, Rob kept the bands on schedule. Each performance was carefully planned and coordinated. We got nothing but compliments from both the crowd and the vendors on how well the performances were and hoping we hold another next year.

We also appreciate your assistance in getting us a major sponsor for our benefit event. This was a big help to cover our expenses. The radio station coverage within New England was also a huge effort on your part which really got the word out. Not only about the festival, but also about the great work we do for the disabled at the riding center. Peter and Rob, you both did an exceptional job putting the entertainment together for us and we look forward to working with you next year as we progress into a two day event with more attractions. We hope this relationship will continue to prosper. It's all about the kids! Thanks again!!

With best regards,

Thomas Citak  
Board Member & Director of Events
